The University of Mississippi
J-1 Transfer Eligibility Form
For Transfer To The University of Mississippi

This form is required of applicants whose address is in the United States.

US Citizenship and Immigration Services requires that an international student or scholar's eligibility to transfer to another institution in the United States be confirmed prior to the issuance of new immigration documents. Section I should be completed by the J-1 Scholar; Section II should be completed by the Responsible Officer or Alternate Responsible Officer at the current, or last attended, institution. Please note, a DS-2019 cannot be sent until the current institution releases the SEVIS record to the University of Mississippi.
